

Elementary Enrichment Teacher

Who We Are:

At Albuquerque Collegiate, we firmly believe that demographics do not determine destiny and that access to a truly excellent education is a civil right. We are working everyday to prove what is possible for our South Valley community and provide our scholars with a game-changing education. Albuquerque Collegiate is the only school in the city's southwest quadrant to receive a state designation of "excellence", scoring in the top 10% of schools statewide.

At Albuquerque Collegiate, we know highly supported teachers are the number one predictor of student success. As such, we coach and invest in our teachers so that they can help our scholars achieve at the highest levels. Are you ready to join our team of game-changers?

Who We're Looking For:

We are looking for high-capacity, energetic individuals, who share our belief about the unlimited power and potential of every child. Sound like you?

- A **steadfast believer**, committed to upholding and executing upon the ambitious mission of Albuquerque Collegiate
- An **unrelenting problem-solver** who approaches the challenges of startup with thoughtful solutions
- is eager to approach challenges and opportunities with thoughtful solutions
- A **no-nonsense nurturer** who knows that students will rise to the high expectations we set for them
- A **growth-minded thinker** who is open to feedback, coaching and constantly striving to improve their practice
- An **enthusiastic team-player** who motivates team members through positive collaboration toward a shared goal
- A **proactive communicator** who productively engages with students, families, coaches and teammates
- A **results-focused achiever**, with a "whatever it takes" mentality to deliver on our promise to provide all students with a game-changing educational experience

What You'll Do:

As an Elementary Enrichment Teacher at Albuquerque Collegiate, you set the tone for quality instruction, collaborative teamwork, and open communication for our school community. Responsibilities include, but are not limited to:

Quality Instruction:

- Deliver art instruction lessons for Kindergarten-4th grade students, based on ACCS provided resources and state standards
- Plan and implement physical education activities, monitoring students, and evaluating student outcomes
- Support ACCS' shared vision and common goals regarding physical education and art instruction
- Analyze student achievement data to critically and strategically respond to the learning needs of students

Collaborative Teamwork:

- Collaborate with elementary school team teachers to create a data-driven, scholar-centered, and safe environment demonstrating shared responsibility for achievement
- Implementation of standardized systems, routines, and procedures to support a classroom and schoolwide culture of excellence

Open Communication:

- Build strong and positive relationships with students, supported by the school's core values
- Establish and maintain communication with families to share academic and behavioral progress
- Enforce, uphold, and communicate the school's values, student management policies and culture

What You'll Receive

- School-wide professional development programming, including 2.5 weeks of staff training over the summer and weekly training sessions during the academic year
- Weekly individualized observations and coaching debrief sessions to support professional growth
- Access to all school-provided curriculum and instructional materials, including daily lesson plans
- All classroom supplies and technology necessary to support teacher and student success, at no cost to you

Job Requirements

- By the time employment begins, all teachers must have a Bachelor's degree
- By the time employment begins, all teachers must meet certification requirements. Requirements can be met through the following options:
 - Hold a valid New Mexico teaching license and possess the correct grade-level endorsement (K-8th, PreK-3rd, or PreK-12th), or;
 - Hold a valid teaching license that has successfully been transferred from another state
- At least 2 or more years of prior teaching experience

Salary & Benefits

- We offer a competitive compensation package that is determined based on prior teaching experience. Subject to legislative approval, anticipated starting salary: \$56,000 for level I teachers, level II anticipated starting salary: \$67,000
- We participate in New Mexico Public Schools' retirement and benefits plan.
- All new employees are eligible for up to \$1000 to offset costs related to licensure and/or relocation expenses.

Deadline/How to Apply

- Apply by June 28, 2024 for final consideration for the 2024-2025 school year.
- Applicants *must* submit via the google form (link below) for application consideration
